that were the basis of the identification within 30 days. The investigation must be concluded within six months, unless it is extended by a further three months. At the end of the investigation period, the USTR must decide whether the measures under investigation are actionable and if so, decide what response is appropriate, including possible retaliation.

Government of India has regretted the unilateral decision of the Government of United States when these issues are alread being negotiated in the Uruguay Round of Multilateral Trade Negotiations.

Retaliatory action under Special 301 is not mandatory. Further the U.S. Trade Representatives has stated that imposition of trade sanctions is not inevitable or desirable.

AIDS cases in Andhra Pradesh

128. DR. YELAMANCHILI SIVAJI: Will the Minister of HEALTH AND FAMILY WELFARE be pleased to state:

(a) whether there are any identified 'AIDS' effected cases in Andhra Pradesh;

(b) if so, what are the details thereof and what steps are being taken to prevent the spread of this dreaded disease; and

(c) whether there is any proposal under Government's consideration to screen the passengers at the international airports to segregate 'AIDS' effected patients?

THE MINISTER OF STATE IN THE MINISTRY OF HEALTH AND FAMILY WELFARE (SHRIMATI D. K. THARA DEVI): (a) and (b) As per information available, the total number of sero positive cases and AIDS cases in the State of Andhra Pradesh is as follows:

HIV sero positive:	59
